

Busy Bees

Indoor Play Center

Summary

Busy Bees is a modern, safe and engaging indoor play space for children ages 0-6 with distinct areas for infants, toddlers and young children. Our mission is to create a go-to destination for families to play, socialize and celebrate.

Key Features

- \$15 admission for children 2+
- Dedicated infant area (under 2)
- Private party room
- Designated eating area
- Snacks for purchase
- No shoes in play area
- Cubbies for shoes and hooks for coats
- Ample parking
- Integrated speaker system
- Socks for purchase

Benefits of Indoor Playgrounds

Indoor play spaces offer a practical, all-weather solution for active play, while maximizing safety, visibility, and comfort for both children and caregivers. Our indoor playground systems promote:

- Physical fitness through climbing, sliding, and crawling activities
- Creative exploration using interactive panels and themed environments
- Social and emotional growth through cooperative and parallel play
- Operational convenience for facilities with limited or no outdoor space

These benefits make indoor playgrounds a smart investment for any organization serving children and families.

Market Analysis

Target Audience:

- Parents/Caregivers of kids 0-6

Local Demand:

- Families seeking device-free indoor activities
- Limited indoor recreation options in the area
- Weather driven demand (hot, cold, rainy, snow)

Competitor Comparisons:

- Launch - geared towards older kids, expensive, overwhelming size
- BB Kidz - Bouncy houses and arcade games, broken up space
- Funstuf - bouncy houses and broken up space
